PROJECTS NEEDED FOR WORKAMP 2018

In late June 2018 FPC will co-sponsor Workcamp 2018, which will bring approximately 500 teens and chaperones to Virginia Beach for their summer mission trips. Suitable home repair projects are needed for these teens. If you are aware of elderly, disabled or low income families with home repair needs that they cannot afford to undertake, please ask Randy DuVall for an application to give them. The teens will do porch repair, interior and exterior painting, mobile home skirting, roofing repair and similar projects.
