EIGHTH FPC RISE AGAINST HUNGER FOOD PACKING EVENT

SATURDAY FEBRUARY 11, 2023

FELLOWSHIP HALL 9:30-NOON

SAVE THE DATE!!

Join fellow church members on February 11th when we will gather 75 volunteers to pack 12,096 meals for delivery to hungry children in the developing world. We have previously packed more than **85,000** meals under this program during our prior seven events. The morning is fast paced and exciting as we work together as a great inter-generational team to complete the packing of the meals.

Rise Against Hunger is an organization driven by the vision of a world without hunger. Its mission is to end world hunger by providing food and life-saving aid to the world’s most vulnerable people and creating a global commitment to mobilize resources to tackle the issue. Rise Against Hunger works to meet immediate nutritional needs today and to empower the ability to build the strong, resilient communities of tomorrow by promoting sustainable solutions to hunger.

Food packing events are part of Rise’s short-term strategy to address immediate hunger needs. Hunger is a barrier to education, steady employment, health, and economic growth for children worldwide. Food packed at this event will be distributed to children in a developing world country through a local church-related partner. In 2022 our meals were distributed in Haiti. What a privilege for FPC to be part of the solution once again!

We can utilize only 75 volunteers, which ensures that everyone is assigned a meaningful job. Registration for event participation is required.

Registration will open for this exciting event later in December. *Watch Realm for further details.*

Children aged ten to sixteen are welcome to participate if accompanied by a parent or other adult. Teens seventeen and up do not need to be accompanied.

If you have any preliminary questions, please contact Randy DuVall, Director of Missions, at missions@firstpresvb.org or you may text or call him at 757-672-1797.
