August Sermon Series
Our August sermon series will invite us to explore some of the miracles of Jesus, or as the Gospel of John calls them, Signs and Wonders. Join us as we explore together what these miracles might mean for us today.

- August 13: Jesus turns water into wine, John 2:1-11
- August 20: Healing in Galilee, John 4:46-54
- August 27: Healing at the pool, John 5:1-18

There are exciting changes coming to our Youth Building this summer! A broken air conditioner in the Youth Building forced us to reconsider that space, but it is turning out to be good news. In the coming weeks, the Youth Building will undergo a bit of a transformation. No longer will you enter into a small room with two rooms on either side. Instead, you will enter into one big open space, which will create opportunities for us to have larger meetings over there, coffee fellowship on Sundays after worship, and bigger events for our teens. We will also be adding a deck on the end of the building, where we can host barbecues, concerts, and all sorts of fun events for youth and for church fellowship that will be visible to our wider community. Get ready for an exciting transformation at 303!
